When all the laughter dies in sorrow
And the tears have risen to flood
When all the wars have found a cause
In human wisdom and in blood
Do you think they'll cry in sadness
Do you think the eye will blink
Do you think they'll curse the madness
Do you think they'll even think

When all the great galatic systems
Sigh to frozen halt in space
Do you think there will be some remnant
Of beauty of the human race
Do you think there will be a vestige
Or a sniffle or a cosmic tear
Do you think a greater thinking thing
Will give a damn that man was here

The Quiet of Winter

The Fresh of Spring

The Freedom of Summer

The Crisp of Fall

When all the laughter dies in sorrow

Tuesday morning — August 24, 1971. It's starting all over again with KMHS opening her doors for the beginning of another school year. The halls quickly fill with students eager to share their experiences during the summer vacation. Schedules are issued, and it is time to get down to work. It is time to put aside the happy memories of the past, and begin looking to the future and what lies there for each of us. Some students engerly anticipate the new year while others may be reluctant to do so because for them it is their last year.

essary. Many doors remain to be opened for them, and they are in a position to profit from the mistakes of the opening of the states.

The sophomores are no longer "punk treshmen". What a relief But What are they now? A year older? Yes. A truth grader? Yes Still there is more. They have become a vital part of KMHS. They are helping mould the future of the school and determine its progress and productivity.

Sentoritis is already beginning to affect the majority of Jumors. They are just breezing along through the school year waiting for the day when they will be seniors. But this is a short sighted view of their role. Next year they will be the leaders of the school. The student body will be looking to them for guidance and direction. They should be preparing now for that responsibility

At first the fashmen feel insecure in a context $p \to V + a$ while they begin to be a context of $x \to a$ is the upper of secure begin to $x \to b$ of $x \to b$.

The sophomores are no longer "punk freshmen" What a relief But What are they now? A year older? Yes. A teath grader? Yes Still there is more. They have become a vital part of KMHS. They are belong mould the luture of the school and determine its progress and productivity.

Semeritis is already beginning to affect the maporty of Juniors. They are just breezing along through the school year waiting for the day when they will be seniors. But this is a short sighted view of their role. Next year they will be the leaders of the school. The student body will be looking to them for guidance and direction. They should be preparing now for that responsibility

The four years at KMHS are rapidly drawing to a close for the Seniors. Many sigh with relief, some tre happy, some are sad. Some now have feelings of uncertainty and apprehension as they are on the verge of stepping out into life to face the responsibilities of adulthood. Some will find jobs while others will plan to continue their education. In either event, they will be on their own From here on, all decisions should be weighed very carefully as the future of each may hang in the balance.

The four years at KMHS are rapidly drawing to a close for the Semora Many sigh with relief, some mappy, some are sad. Some now have feelings of uncertainty and apprehension as they are on the verge of stepping out into life to face the responsibilities of adulthood. Some will find jobs while others will plan to continue their education. In either event, they will be on their own From here on, all decisions should be weighed very carefully as the future of each may haug in the balance.

Spring is that time for togetherness; looking forward not backward.

Dedication

We the 1972 graduating class of Kings Mountain High School would like to in that way show our appreciation to two of the most deserving teachers on our faculty, who go out of their way not only in the interest of their student's education but also as a trusting friend

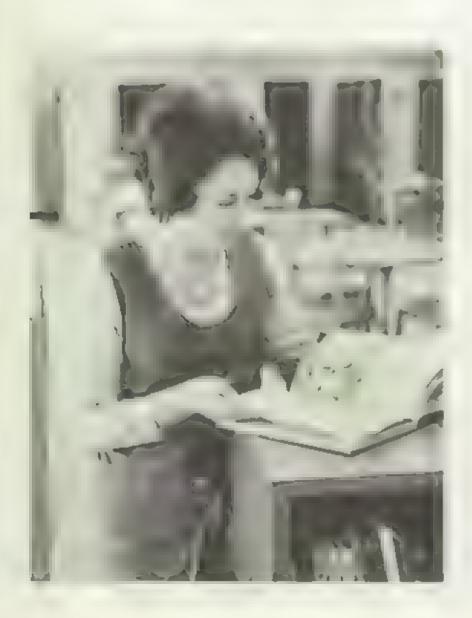

Mrs. Juanita Goforth

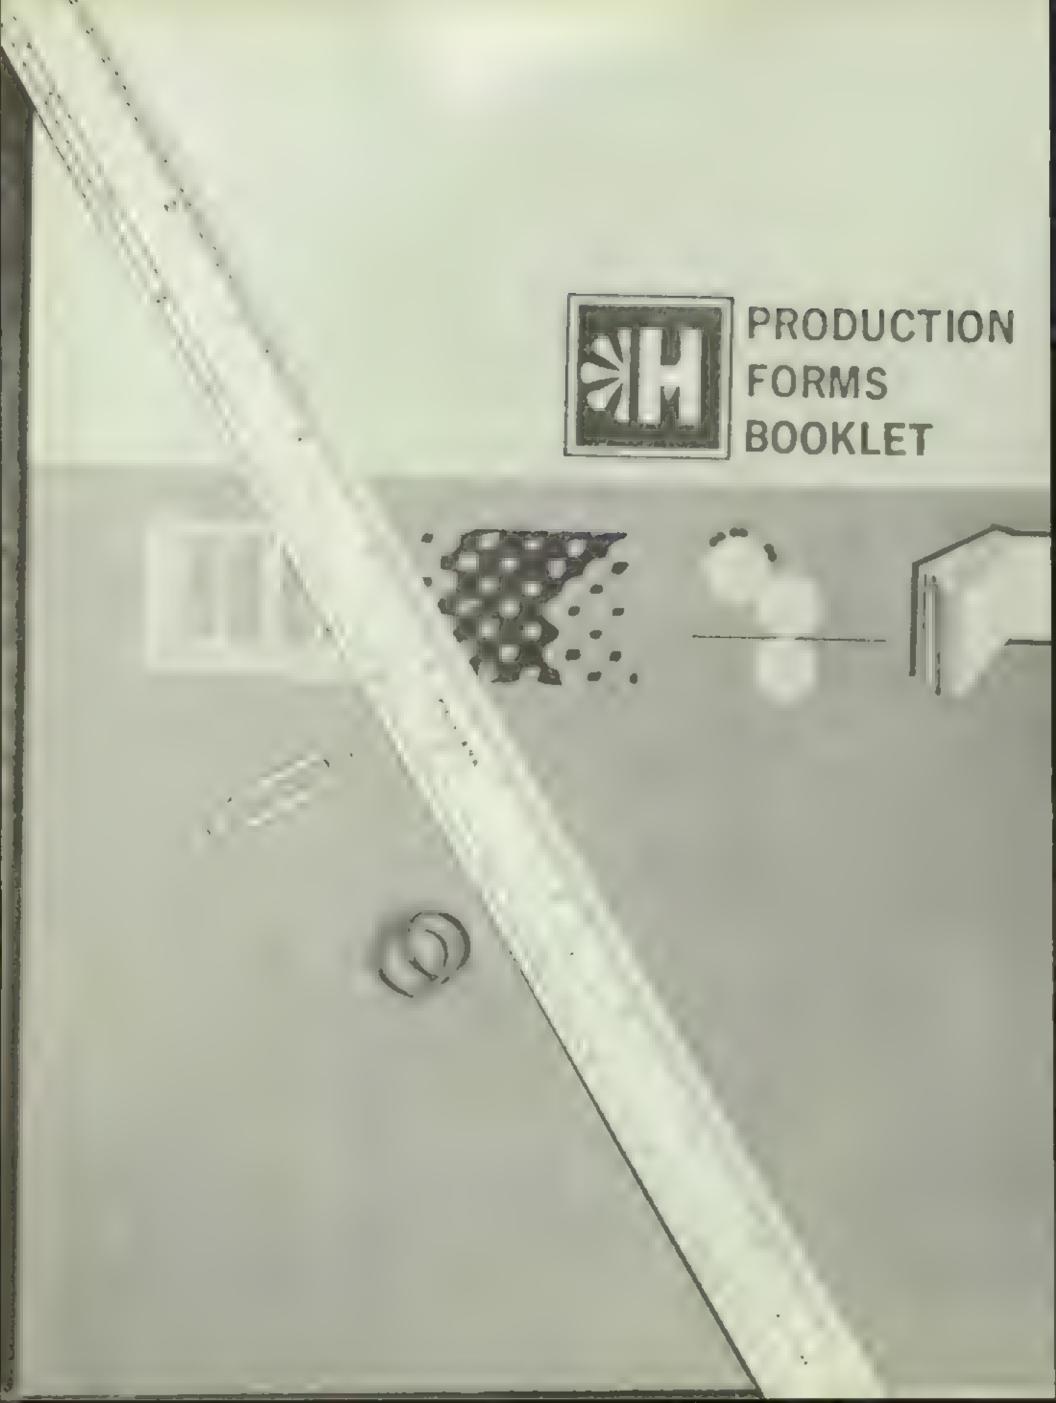

interested in getting the student to realize his potentials and to use them to the best of their abilities. Through their consideration and devoted interest in our lives, we will dware amber as top teachers and friends— Mrs. Jianuta Goforth and Mrs. Brenda Neal To them we say thank you

Mrs. Brenda Neal

Summer is that time for enjoyment; being carefree while you have the chance.

2.1

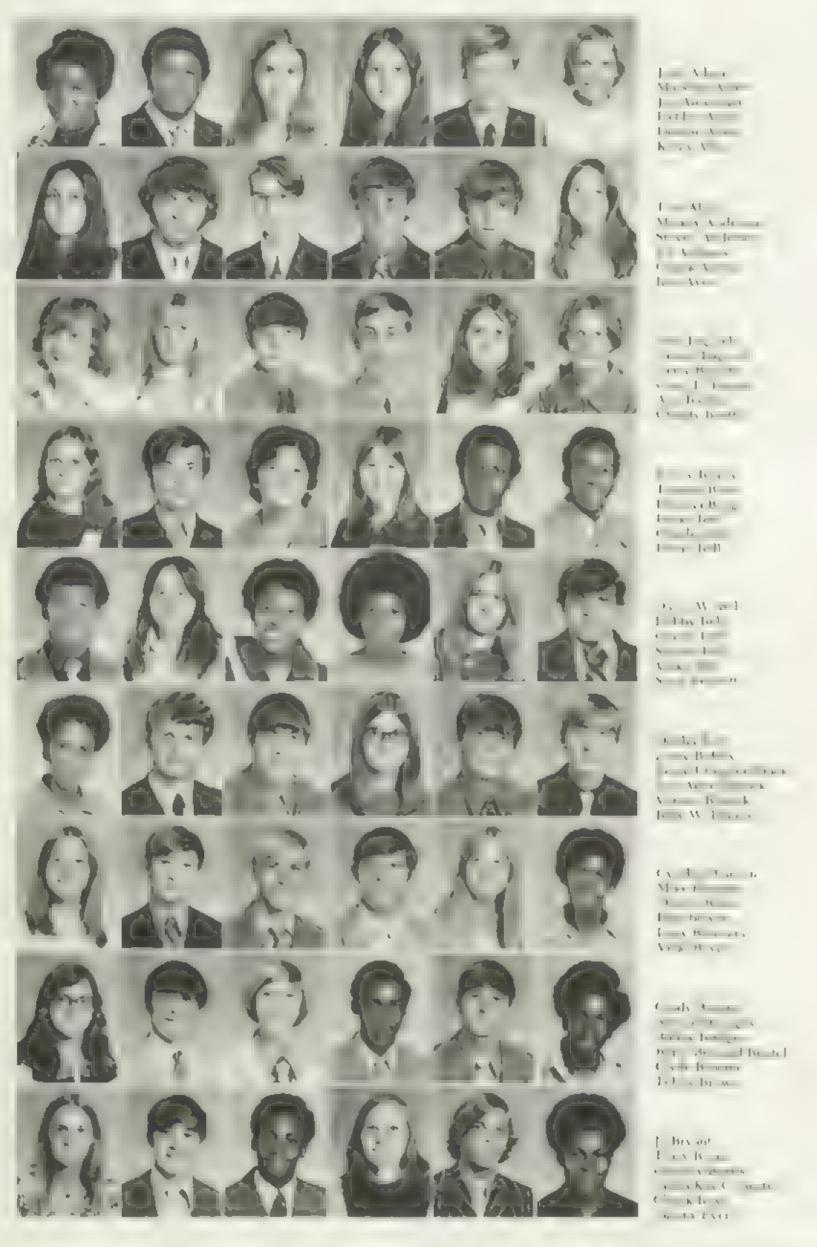

"Radicalism, with its confrontations, violence, tears and pain, is the most potent means of forcing action in the United States today."

James S. Kunen
The Strawberry Statement

True liberty consists in the privilege of enjoying our own rights, but not in the destruction of the rights of others.

God, grant us the courage to change the things we can change, the serenity to accept those we cannot change, and the wisdom to know the difference — but God, grant us the courage not to give up on what we think is right — even though we think it is hopeless.

Bessmer City

A 24-6 victory over Bessmer City mangurated the 1971 season for the Mounties'. The nonconference affair provided a glimpse of the future with an offense lacking the consistancy expected but up by a close-knit defense giving vards unwilling to all opponents

The Mountaineers had 250 yards rushing plus 62 more yards passing as semior quarterback David Bolin hit on 5 of 10 attempts and a TD. Marshall Logar was the big gun for kM with 3 TD's and a 88 yards rushing. Semior halfback Chris Blanton collected 63 yards to put him second in vardage on the ground. John Grier accounted for the other 6 points on a TD plunge from the 7 yard line.

Linebackers Grier and Mark George guards Alfred Ash and Dale Russell and tackle Jake Bridges showed strong points in a detensive effort allowing only 49 Bessmer City yards as well as causing 4 Yellow Jacket turnovers

With a 12-0 halftime lead, two other fourth period TD's rounded out the Mountie scoring. Bessmer's only points came with 3-13 left in the third quarter.

At Chase

Chase High set the stage for the first Southwestern Conference game of the season. Early Mountie scoring by Grier on a 77 vard run and I game in a ward dive gave the Mountainers a set lead with John Bridges first "Pat" of the new season. A safety for Chase made the score 13-2 at halftime

With the second half, the Mountaineer offensive blocking stalled as the Trojans stormed back. The passing of Chase quarterback Tony Fowler added the offensive punch Chase needed. The Kings Mountain screeched to a halt with only 13 yards in the second half

The lack of Mountie blocking and the passing of Chase prove the deciding factors as the favored Mounties' record was dropped to 1-1 and 0-1 in the SW(

East Rutherford

I'wo from behind TIDs and a sparkling Mountaineer defense provided Kings Mountain with their first conference via tory of the '71 season. The Kings Mountain offense still showed signs of meonsistancy although 300 total yards were compiled during the action Despite the tremendous yardage, the Mounties couldn't put the points on the board. Penetration the East 15 yard line seven times, only two were turned into touchdowns. Having spotted East a 6-0 lead on a 65 yard interception to paydirt the k.M. offense scored on a 54 vir., pass play from Bolin to split and Gardd Owensby to provide a 7-6 halftime lea-The final TD came in the fourth persont as fullback Grier raced 59 yards to a TD Bridges hit on 2 extra points to add up to a 14-6 victory and a conference record of rac an Tone for K M

At R S Central

I s outstand perform ince of the year for kings Mountain came with a 26-6 victory over the Hilltoppers of R.S. Central. The Mountaineer rushi 📜 🐰 🤫 compiled an awesome 316 yards, high for the year, as the defense played another spectacular game by allowing only 139 yards total offense for R 5 Central

Fullback Grier led the Mountie scoring with 2 touchdowns as Bolin and short added one each m - put two shots be tween the uprights to round

off the scoring

Gner the leading ground a secred on rims of two at t vards Bolin hit at from 20 yards out n Blanton made the longest run of the game, a 45 vard TD gallop

The only HS, tally came in the second quarter on a 14 vard pass play. This cut a 7 0 Mountie lead to one. How Bolm's run stretched the lead to 14.6 at halftene

The win advanced the Mountaineer record to 500

Shelby

An 8-8 tre with arch-rival Shelbs set the score for one of the best games of the season for the Mounties. Oddly enough, the seventh game of the season was played over a 3-day period, as an electrical storm washed out the rain drenched affair at the half. Two touchdowns in the firsh half, and a scoreless deadlock in the second provided all the scoring. An unofficial sudden death playoff took place in case either team needed the game at the end of the season

Shelby's touchdown came late in the first period on a one yard plunge and a two point conversion followed. Until the ten second mark in the first half, the ball stayed pretty well within the 20's. Then, however, a run and a five yard touchdown pass from Bolin to Blanton ended the half. On the two point attempt a deflected pass was pulled in by Logan to knot the score

In the Monday night action, the Kings Mountain offense was held to no first downs. The Mountaineer defense, however, rose to the occasion by holding Shelby as they caused two fumbles and one turnover on a loss of downs

The Mounties accumulated 131 yards total offense as opposed to 248 for the Lions. The conference record for Kings Mountain went to 2-3-1. The tie was to eventually keep the Shelby squad out of the South Western Conference playoffs by one-half game.

At Cherryville

A last minute field goal upended the Mountaineers in their fifth contest of the season. Having spotted Cherryville a 12-0 lead in the first half was coming to an end. The ensuring kickoff and gallopped 85 vards for a TD. The PAT was wide and the score stood 12-6 at the half

At the second half open L the teams had an exchange of punts resulting on the Kings Mountain one vard line. On the first play from scrimmage went 99 vards to knot the score. Bridges put the Mounties in the lead with a true boot 13-12

kings Mountain appeared to have the game wrapped up until Grier fumbled on the Mountie five. After a couple of runs and an incomplete pass, the successful 3-pointer was kicked

Gner led the rushing attack with 120 yards in 11 carries. This, however, was not enough to offset the Ironmen's passing

South Point

For six quarters, the Mounticoffense had been held scoreless as meonsistancy showed through

Burns

Various point first half led the Mountaineers over the Burns Bulldogs. Again, the Mountie detense played a major role by collecting a second straight shutout well as scoring two touchdowns. An offense committing no turnovers and 209 yards during the game.

left in the first quarter as Marshall Logan blocked a punt and returned 32 vards for a touchdown. The offense then took over A 39 vard completion to Blanton from quarterback Bolin hit paydirt in the second quarter. Also in this period Grier rumbled over from five vards out. A Bolin run and Bridges' PAT added three more for a 21-0 lead Near the end of the half Danny Rhodes picked off a Ronnie London pass and galloped 35 yards for the final points

During the second half, the second and third units played the majority of the time and allowed most of Burns' 227 yards. The Mountie record advanced over .500 to 4-3.2 with only one game left.

Kings Mountain High School, Kings Mountain, N. C.

November 24, 1971

Key

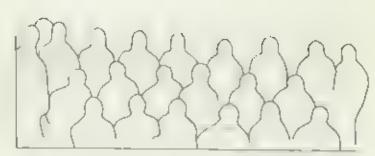

One of the most outstanding clubs in the high school is the Key Club, It is composed of young men in the school community who are chosen on the basis of their leadership and service to the school. This group is responsible for the school's annual boufires. The Key Club is sponsored by the local Kiwanis Club of Kings Mount

Office Aides

Drafting

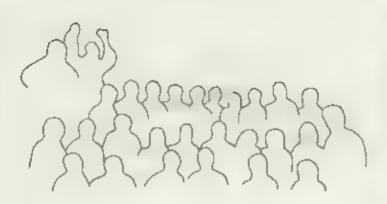

The Drafting Club was organized to supplement the regular classroom work. This club has done many worth-while things this year. One of their projects was to raise money for a needy family at Christinas. This money was raised by building a dunking stool in the student commons Students gladly donated twenty-five cents to dunk their "favorite" teacher

1 Wordell Dawkins 2 Randy McDaniel, 2 David Stone 4 Ricky Adem 5 Gary Cambell 6 I and Varner, 7 Rick McCarter, 8 Adrian Brum, 9 Bideb Campbell 10 to 5 m., 12 David Parker, 13 Tam Words 14 Scott will 15 m. 5 for Tommy Baker, 17 David Toney, 18 Ver. Hutch m., 19 h p. — Ooug Schers, 22 Chers Lockall, 23 Bucky W. — 4 Va. — 4 Toney College Redmond, 26 Ted Burier

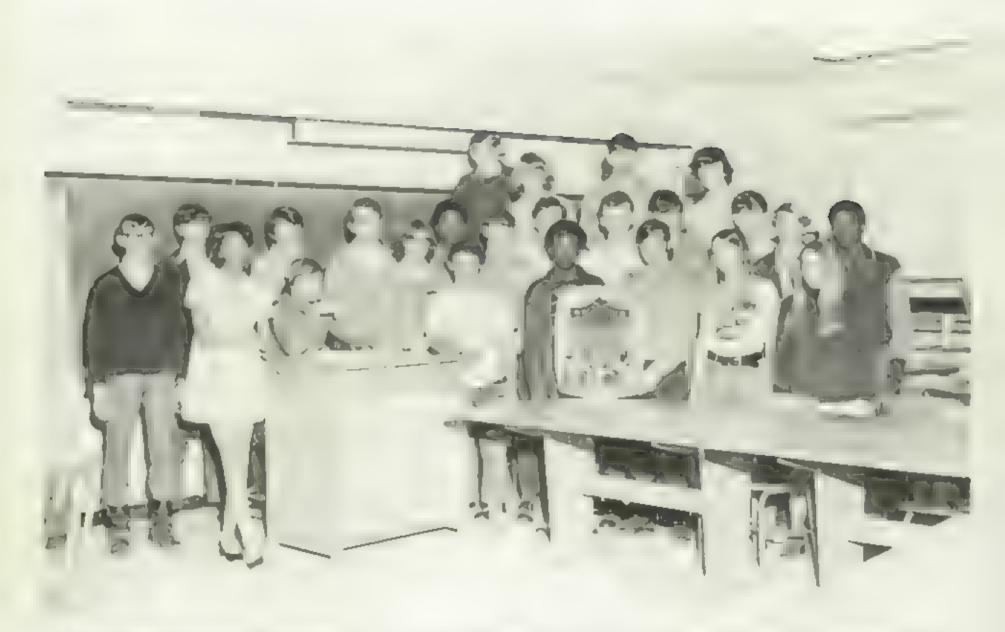

DECA

DECA is an organization which attempts to prepare students for a career in the business world. These students receive much experience in their club work through contests which enable them to compete with other students

1 13 Curl Bell, 14 Steve Phillip at Owens, 16 Roger Poole, 17 Edward Collins, 18 Curry Evans, 19 Johnny
1 Serve Whittles, 33 Bicky Qwens, 24 David Morrs

ICT is a club which works to acquaint young men and women with occupation suitable for life's work. These students compete with other schools in such areas as public speaking, salesmanship, and job participation. They also take field trips to industrial plants in the Kings Mountain area to get a first-hand view of how these plants operate

Sponsor Mr West Hambright

Future Farmers

Those qualities stressed by the F.F.A. are lead ership, service, cooperation and self improvement. This club is one of the more active clubs in the school. The stud-uts gain valuable experiences which will help them to become productive citizens in the community

Health Careers

Those students who have chosen some career in the medical field are members of the Health Careers Club. These students contribute their time to work at the hospital as Candystripers and to do other volunteer services. In order that they may receive a first-hand knowledge of the medical profession, these students also hear speeches visit hospitals, and talk to persons in their chosen is id.

In a capping a part of the par

Science

These students who plan to make a career of the field of science are members of the Science of Cincoln (1) and the Science of the Science of

BIBLE CIT B OFFICERS AND SPONSOR Treasurer Continu Alexander, Provident J Secretary, Eliano Weight, Vice Provident and pictured Joyce Weine, Sponsor Mr. W. Afex

The Bible Club was formed to give the students a better understanding of and a more modern approach to the Bible. The student body is made very cognizant of the work of this organization through the assembly programs and heau tiful displays prepared by the Bible students

FBLA

The Business Club is an organization which offers much to the student. Not only do these students get valuable class room instruction, but they are exposed to the everyday business world to the speakers, trips to business firms, and in some cases, actual on-the-job training. These students are very well prepared to go out into the business world.

As we are quickly approaching the end of another school year, we pause momentarily to look backward and reflect upon our many experiences at KMHS. Although it now seems that the year has literally flown by, there were times when we could hardly wait for that 3 16 bell to ring

It seems that there was a countless number of ball games with any dress days of practice in between. We had some winning teams while others did not do so good, but all were approximation school with such doing its best Our teachers have also done their best in trying to pass some of their knowledge on to us. Her have taught us much of the academics, but they have also taught us much about life. Now it is up to us to use that knowledge and apply at to our own advantage.

We have had the opportunity to form some very close friendships. As the years pass, some of these friends may drift apart, but the friendships will be remembered and cherished as they were such an important part of our lives at KMHS. The state of the s

It is first and that we have been able to learn not any from attending assess but from living and working together. Each member of a class had ware all the upon the lives of every other member. Although some may have had a more important role than others, each played his part

We wish we had answers for all the questions and southons to all problems but we contribute to state of confusion, strife, and conflict, we must all work together. We must not strike out against each other when there is a difference of opinion.

Violence has come to be regarded, by some students, as properties were to execute the goal. The right to dissent is not the right to react in violence. Violence must because it is wrong. It undermines the foundation of a just social order such as we desire at KMHS.

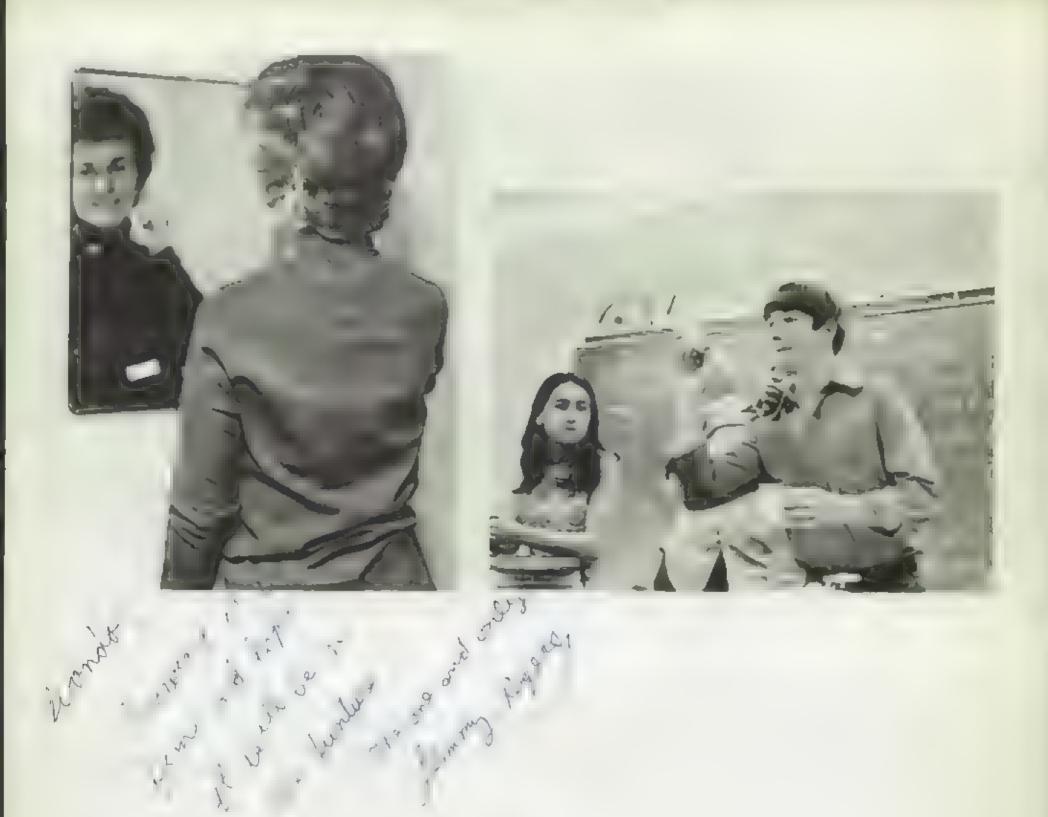

On school needs an environment of trust in viscoit on participation between the state of the description. If we as the scale of the description with reality, and thus become incapable of resembling to the needs of the students, then we have destroyed her purpose for students.

WE WANT VICTORYI

Hopet veer will be at letroprotetion vom vees at KMHS. Each ven vou tacet with a attle mare respensibility becoming the responsibilities and recipting them are signs. First, its

What you learn at KMHS will be with you the rest of your lives. Graduating from KMH5 is one step up the ladder of success. Where you go from here is your decision.
